# **The Borough of Beaver**

## **Public Roadway Access Permit Agreement**

The Applicant/Contractor agrees to cover the public roadway if an excavation is exposed for longer than 24 hours. The Applicant/Contractor agrees that any additional fees incurred as a result of this opening will be payable to Beaver Borough within five (5) working day or the fees incurred will be deducted from the security deposit. For any utility inspection, the Applicant/Contractor agrees the security deposit will be forfeited in the event the contractor fails to have a proper inspection completed.

The intent of this permit is to proved contractor approval to gain access to public streets, sidewalks, curbs, and utilities located within the Beaver Borough right of way. By applying for this permit, the contractor agrees to save the Borough, it's officers, engineers, police, and employees harmless from all costs, damages, and liabilities which may accrue or be claimed to accrue by reason of such work performed is said permit.

Furthermore, the Applicant is herby informed that any violation(s) of the Building Code and/or the Zoning Code for the Borough of Beaver is subject to fines and penalties as stated in applicable ordinance(s)
