

BEAVER COUNTY COMMISSIONERS

December 29, 2021

Mr. Daniel J. Martone  
Beaver Borough Municipal Authority  
469 Third Street  
Beaver, PA 15009

**RE: Beaver County ARPA Municipal Infrastructure Grants**

Dear Mr. Martone:

We are excited to announce the Beaver Borough Municipal Authority has been awarded \$767,000 for infrastructure improvements as a result of the American Rescue Plan Act (ARPA) application submitted to the Beaver County Commissioners. The money must be spent on the project(s) submitted in the ARPA application or as otherwise permitted as defined on the application.

While the money must be spent on projects contractually obligated by December 31, 2024, and completed by December 31, 2026, it is the preference of the County this money be spent as soon as practical. The money your governing body has been allocated as outlined above, will continue to be held by the County as the County is required to oversee it and file necessary reporting associated with it. Details regarding requests for the use of the money will be made available in the near future, but in general, it will likely work as a reimbursement process that once the necessary paperwork is submitted and reviewed by the County, a check will be issued to your entity by the County for the amount requested.

Please direct any questions you may have at this time to the County's Chief Clerk, Nicole Long. We are glad this money will be well spent to help solidify the infrastructure that is integral to our communities throughout Beaver County.
